Dear Drivers,

As we prepare for the Jaycee Sponsored York Country Fair Figure 8 Race would like to invite you to participate.

We will be having the new stock/points class of Figure 8 race this year instead of the compact class. At this point, there is limited information available about the new class and the 2008 Figure 8 rules have not yet been posted. However, we are not anticipating any rule changes for the 2008 season. We will update our website with 2008 rules and further information on the new class as it becomes available.
